

Mainland Jr Wrestling

Singlet Laundering Instructions

Recommendations:

- Wash all uniforms prior to wearing
- Do not dry clean as it could damage the screen printing
- Wash uniform inside out to avoid damaging the screen printing

Instructions:

- Wash uniforms immediately after wearing
- Use cold/warm water, 100 degrees F is preferred
- Use a mild soap
- Remove singlet from washer promptly

Dry:

- Air drying on a hanger will work fine
- Hang on wooden or plastic hangers
- If machine dried, set for air only
- Remove promptly when cycle is finished

DO NOT:

- Do not use metal hangers, they may leave rust marks
- Do not wash in hot water
- Do not iron
- Do not dry clean
- Do not use chlorine bleach or bleach alternative
- Do not leave wet singlet in a pile- dye may migrate
- Do not use a fabric softener

Storage:

- Dry singlets completely before storing
- Store in a dry, cool place, avoid direct sunlight
